

**SAN FRANCISCO BEAUTIFUL'S  
2008 Beautification Awards  
Award Nomination Form**

**Here's your chance to bring recognition to individuals, organizations, businesses and civic entities partnering to improve the quality of life in San Francisco.** Nominate a project that has improved the City's physical environment and has enriched the life of your community. Nominated projects must be located in San Francisco and visually or physically accessible to the general public. Nominations are due at the end of April (exact date to be announced early in 2008). Awards will be presented during San Francisco Beautiful's Beautification Awards Dinner in the fall.

Eligible projects include but are not limited to the following:

- Landscaping and planting
- Neighborhood conservation
- Historic preservation
- Litter and graffiti reduction
- Commercial district enhancements
- Innovative and sustainable landscaping and architectural design
- Citizen initiatives to beautify the public realm
- Enhancement of area's sense of place
- Open space, park and plaza enhancements
- Public art
