

# San Francisco Beautiful's Friedel Klussmann Grants Program

San Francisco Beautiful (SFB), as was its founder Friedel Klussmann, is devoted to creating, enhancing and protecting the unique beauty and livability of San Francisco. SFB continues Mrs. Klussmann's legacy by awarding grants to community groups and organizations that take exemplary action to improve the quality of life in their community.

## Grants are awarded to applicants that seek to:

- Maintain the livability of San Francisco by rehabilitating or enhancing community landscapes or urban architecture,
- Contribute to the city's beauty (adhering to good urban design) and sustainability as well as enhance the city's public face,
- Improve the quality of our city's unique urban landscape including neighborhood commercial districts, the waterfront, historic landmarks, parks and other open or urban spaces,
- Support and enhance the link between clean, healthy physical settings and a healthy local socio-economic climate,
- Encourage community involvement in projects that will enhance and beautify neighborhoods or provide historic understanding/documentation of a neighborhood or significant space, or
- Create safe, inviting spaces for residents and visitors alike

## Grant Policy and Program Limitations:

San Francisco Beautiful offers grants as a one-time catalyst to a project within the boundaries of the City of San Francisco. A demonstration of community volunteerism and support, as well as a high level of commitment to sustaining the proposed project into the future is expected. SFB encourages matching funds and in-kind support for the projects it funds. **Grantees must have non-profit and tax-exempt status or work with a fiscal agent who does.** Grants are not awarded to individuals. No more than one grant will be awarded per year to any applicant.

## Proposal Submission Deadlines: June 1
