To Whom It May Concern:

Please accept this letter of support for Potrero Gateway Park Project.

Neighborhood open spaces are scarce in San Francisco's urban scape. This project will exponentially improve the neglected space around Highway 101 and under the freeway, between San Bruno, Vermont, 17th and 18th streets.

San Francisco Beautiful is a group of citizens, neighbors, friends and philanthropists have been integral in making San Francisco the extraordinary place it is today. San Francisco Beautiful is a non-profit organization that works with members, community-minded individuals, community organizations, corporations, and local government to help create and implement sustainable improvements and civic initiatives that improve the quality of life in San Francisco. We work to keep San Francisco beautiful through civic engagement, partnering with communities to build better neighborhoods, and celebrate urban innovation.

The Potrero Gateway Park project will help improve the safety, cleanliness and usability of the open space, brings the neighborhood together and fosters leadership and stewardship qualities. We support the efforts of the community to beautify this neglected space and make San Francisco beautiful.

Sincerely,

Komal Panjwani
